PREFACE

(2020 edition)

This humble work is intended primarily for accountancy students, business students and Certified Public Accountant (CPA) board examination candidates. This work, however, could likewise provide a good material for students of law.

Simplified examples were incorporated and decisions of the Supreme Court were digested in a simple manner which serve as a tool for easier comprehension of the pertinent articles.

Definition of terms used in the different articles were incorporated to enable the readers to appreciate and comprehend well the meaning of the law.

This book is published in the hope that this humble work will be of great help to readers.

True or False Questions and Multiple-Choice Questions were provided at the end of chapters for purposes of review.

I want to express my gratitude and appreciation for the valued persistent assistance and support rendered by my friends Sunshine, Anaflor, Irene, Amie, Albert, Floyd, Marie, and my brothers Atty. Warden, Christian and Ronaldo.

I want to express my heartfelt gratitude to my loving wife, Pinky, my lovely daughters, Xyanne and Xyra, Mama Conchita, my sisters-in-law, my friends, colleagues, students, and relatives who have helped me in writing this book.

Special thanks to Mama Lerina and Papa Francisco, my parents-in-law, and to all relatives who played with Xyanne and Xyra while I was writing this book.

... and to **God** be the glory!
