ACKNOWLEDGEMENTS

The Researcher would like to acknowledge and thank the following persons who have been part of the success researcher study:

Dr. Elvira C. Delgado, our researcher adviser, for the patience, understanding and correct us n our research;

Dr. Ma. Elena J. Eleperia and Dr. Rolando A. Alimen, for letting us conduct this kind of study;

Our friend, for Helping and cheering us while doing this research

Our parents, for supporting us financially and morally;

And lastly to God who never leave us and guide us while doing this research

And to those we failed to mention, you will not be left out from being the contributors of this research production:
