Table of Contents

Preface iii

Unit I General Concepts and Science and Technology Historical Development

Lesson

1	Historical Antecedents in Which Social Considerations Changed the Course of Science and Technology	3
	Science, Technology and Society	4
	Historical Antecedent of Science and Technology during Pre-Historic Times	5
	Historical Antecedent of Science and Technology during Ancient Times	5
	Sumerian Civilization Science and Technology Development.....	6
	Babylonian Civilization Science and Technology Development.....	6
	Egyptian Civilization Science and Technology Development.....	6
	Cretan (Minoan) Civilization Science and Technology Development.....	7
	Greek Civilization Science and Technology Development...	7
	Roman Civilization Science and Technology Development...	8
	Historical Antecedent of Science and Technology during Medieval Times.....	8
	Historical Antecedent of Science and Technology during Renaissance Times	9
	Historical Antecedent of Science and Technology during Modern Times	10
	Science and Technology during the Scientific Revolution ...	10
	Science and Technology during the Industrial Revolution ..	11
	Science and Technology in the 20 th Century.....	14
	Do You Know?.....	16
	Check Your Understanding!.....	15
	Click for Further Information!.....	20

2	Intellectual Revolutions that Defined Society.....	21
	Summary of Darwin's Theory of natural Selection	22
	Science and Technology of the Mesoamerican Civilization (Pre-Columbian times)	23
	Olmec Civilization Science and Technology Development..	24
	Maya Civilization Science and Technology Development....	24
	Aztec Civilization Science and Technology Development....	24
	Inca Civilization Science and Technology Development.....	25
	Asian Science and Technology.....	26
	Chinese Civilization Science and Technology Development	26
	Indus-Hindu civilization Science and Technology Development.....	26
	Science and Technology in Japan	27
	Science and Technology of the Middle East Civilization	27
	Persian Civilization Science and Technology Development.	27
	Arabic Civilization Science and Technology Development..	28
	Science and Technology of the African	29
	Do You Know?.....	32
	Check Your Understanding!.....	33
	Click for Further Information!.....	35
3	Science and Technology in Philippine Society	37
	Pre-colonial period (900–1521).....	38
	Spanish Colonial Period (1565–1898)	39
	American Period and Post-Commonwealth Era (<i>Wikipedia</i> , 2020)	41
	Marcos Era and Martial Law	43
	Fifth Republic.....	46
	Check Your Understanding!	51
	Do You Know?.....	53
	Click for Further Information!.....	54
4	Selected Indigenous Science and Technology in the Philippines	55
	Northern Philippines Indigenous Practices	57
	Prediction of Weather in Cordillera Region, Northern Philippines.	57
	Food Preservation.....	58
	Farming Practices in Northern Philippines	58
	Do You Know?.....	62

Check Your Understanding!.....	63
Click for Further Information!.....	64

Unit II

Science and Technology and the Human Condition

Lesson

1	The Human Person Flourishing in Terms of Science and Technology (The Good Life)	67
	Human Flourishing	67
	Aristotle on Human Flourishing	68
	Happiness.....	69
	Science, Technology and Human Flourishing	70
	Do You Know?.....	72
	Check Your Understanding!.....	73
	Click for Further Information!.....	76
2	When Technology and Humanity Cross.....	77
	Bioethics.....	77
	Ethical Dilemmas of Science and Technology.....	78
	Check Your Understanding!.....	85
	Click for Further Information!.....	89
	Do You Know?.....	89
3	Why Does the Future Not Need Us.....	91
	Why the Future Does Not Need Us?.....	91
	Why the Future Does Need Us?.....	93
	Check Your Understanding!.....	95
	Do You Know?.....	97
	Click for Further Information!.....	98

Unit III

Specific Issues in Science and Technology and Society

Lesson

1	The Development of Information Age	101
	Do You Know?	104
	Check Your Understanding!	105
	Click for Further Information!	108

2	Biodiversity and the Healthy Society	109
	Biodiversity.....	109
	Three Types of Biodiversity.....	110
	Significance of Biodiversity to Human, Health and Ecosystems	112
	Do You Know?.....	114
	Check Your Understanding!.....	115
	Click for Further Information!.....	118
3	Genetically Modified Organisms: Science, Health, and Politics.....	119
	Some GMO Food Products.....	120
	Implication of GMO to Science, Health, and Politics.....	121
	Do You Know?.....	124
	Check Your Understanding!.....	125
	Click for Further Information!.....	127
4	The Nano World.....	129
	Brief History of Nanotechnology	130
	Applications of Nanotechnology	133
	Impact of Nanotechnology to Humans	136
	Click for Further Information!.....	137
	Do You Know?.....	138
	Check Your Understanding!.....	139
5	Gene and Stem Cells Therapy	143
	Gene Therapy	143
	Two Types of Gene Therapy.....	144
	Techniques for Carrying Out Gene Therapy	144
	Means of DNA Transferring.....	145
	Application of Gene Therapy	145
	Stem Cell Therapy	146
	Click for Further Information!.....	147
	Do You Know?.....	148
	Check Your Understanding!.....	149
6	Climate Change and Environmental Awareness.....	153
	What is Global Warming?	154
	What Causes Climate Change?.....	155

What is the Scientific Consensus about Future Global Warming and Its Effects?	156
Some Possible Effects of a Warmed World.....	156
How Can We Lower Down the Possible Outcome of Global Warming?.....	157
What Has Been Done to Reduce Greenhouse Gas Emission?.....	157
Do You Know?	158
Check Your Understanding!	159
Click for Further Information!	162
7 Energy Crisis and Alternative Energy Resources.....	163
Energy Crisis	163
Possible Solution to Solve Problem on Energy Crisis and Climate Change	165
Renewable Energy	165
Types of Renewable Energy Sources	165
Types of Hydroelectric Energy Plants.....	166
Click for Further Information!	170
Check Your Understanding!	171
Do You Know?	174
REFERENCES.....	175
