## Introduction

Page

### Chapter I - Swimming

1

Classification of swimming strokes	2
The four competitive swimming strokes	2
Freestyle swimming techniques	3
The crawl	3
Breaststroke	4
Butterfly	7
Backstroke	9
Other Swimming Stroke	11
Side stroke	11
The Trudgen	12
Elementary Backstroke	13
Other related aquatic activities in which Knowledge of swimming is very important	15
Diving	15
Kneeling dive	16
Position of Dive	22
Pike Position	22
Tuck Position	23
Straight Position	24
Free Position	25
Fishing	26
Boating	27
Water Skiing	28
Scuba Diving	29
Snorkeling	30
Floating Strokes	31
Survival floating	31
Back floating	31
Threading water	32
Sculling	32
Turtle float	33

Jellyfish float	33
-----------------	----

## **Chapter II – Personal Water Safety 34**

Personal Safety	34
Pool Regulations	35
Swimming Equipment	36
Safety and best time for swimming	36
Dangers (Accident) in swimming	37
Sea Weeds/ Water Weeds	38
Weeds	38
Sea Urchins	40
Jellyfish	41
Portuguese man of war	42
Box jellyfish	42
Cone shells	43
Cone Venom	43
Sharks	45
Stingray	45
Hazards in the aquatic environment	46
Panic	47
Exhaustion	47
Cramps	48
Waves	49
Currents	50
River current	50
Ocean current	51
Types of Breathing	51
When to swim	52
Indications when to get out of the water	52
Where to swim	52
Factors/ Conditions to consider safe place	
To swim	53
Safety and Rescue Equipment	54
Lifeline	54
Booms	55
Ring Buoy	55
Shepherd's Crook	56

Heaving line	56
Safety/ Rescue post	57
Lifeguard stand	58
Backboards	59
Other Floating Device for Rescue	59
Rescue Tubes	59

## **Chapter III – Search and Rescue 61**

Three Major Causes of Drowning	61
Rescue Techniques	61
Reach	62
Throw	62
Row	62
Go	63
Circumstances of Rescue	63
Four types of people (swimmers) in need of Rescue	63
Approaches to further reduce the number Of fatalities	64
Accident Prevention	64
References	66
